TREE
MUSKETEERS

To empower young people to
be environmental leaders.

Get Involved

TREE MUSKETEERS was founded 25 years ago as the place where kids are boss! The Hometown Program grows our community forest and youth leaders and remains the cornerstone of programs that now reach six continents. 2012 marks a quarter century of local Arbor Day celebrations. Citizens tall and small are invited to plant and care for local trees.

Be a Tree Planting Sponsor for \$195 - Each new tree planted will generate \$163,000 worth of oxygen, air pollution control, water recycling and soil erosion prevention while sequestering 2½ tons of CO₂ over 50 years. There is no better return on investment! As a tree sponsor, your name will appear on the event poster plus **Chevron will match your donation dollar for dollar!**

Be a Tree Care Sponsor for just \$25 - Caring for trees is as important as planting new ones. TREE MUSKETEERS is the only source of care for well over 1,800 community trees. Trees require various amounts of attention depending on age, but it averages about \$25 per tree per year. Sponsoring TLC for Trees is affordable and meaningful plus **Chevron will match your donation dollar for dollar!**

Be a Leader - The planting of every TREE MUSKETEERS tree is overseen by a trained Youth Supervisor with support of an Adult Partner. More of both are needed to ensure proper planting and to supervise participants. Please call to sign up or for training dates.

Be a Volunteer - Participants will plant 127 new trees and care for 500 existing Trees to the Sea. Seize the opportunity for some good family fun, team building with coworkers, a service project for your club or a chance to mingle with other members of the community. Youth under age 14 must be accompanied by an adult. Register by March 2nd. While there is no registration fee, donations of \$5 per youth and \$10 per adult would be welcome plus **Chevron will match your donation dollar for dollar!**

Registration Form

Chevron is providing lunch for all volunteers and T-shirts for donors!
